Postcode:

UIP Telephone Number:

UIP Email Address:

GIRS REGISTRATION SCOPE

PLEASE CONFIRM COMPANY NAME RESPONSIBLE FOR THE FOLLOWING COMPONENTS OF THE PROJECT

Project Management:

Construction/ Commissioning:

Design:

Final Connection:

MOBS

Note: Please be reminded that the company who is undertaking the Project Management scope is accountable to Cadent for the works undertaken by their contractors across the project, including those names in the other scopes on this form.

Do You require Cadent Gas to undertake the final connection?

A) UIP Proposed Site Details

Proposed Site Name:

Site Contact:

Site Address:

Postcode:

Requested Connection Point Eastings: Northings:

Type Of Works:

SERVICE ALTERATIONS: Where a service alteration results in work being carried out on the existing connection (to the supplying main), the service should be renewed in accordance with the requirements of CAD/SP/NP/14E.

Type of Development:

Single or Multiple Premises:

Do you require works to be completed outside normal working hours?

PLEASE ENSURE A SUITABLE SITE PLAN, INDICATING THE EXACT LOCATION OF THE WORKS PROVIDED WITH YOUR APPLICATION. FOR MULTIPLE DEVELOPMENTS PLEASE PROVIDE INFORMATION ON THE NUMBER OF CONNECTIONS REQUIRED.

PLEASE REVIEW THE DATA PROVIDED PRIOR TO SUBMISSION, DATA WHICH IS MISSING COULD LEAD TO A DELAY IN COMPLETING YOUR REQUEST. PLEASE SUBMIT THIS FOR TO BOX.IGT-UIPAPPLICATIONS@CADENTGAS.COM

Utility Infrastructure Provider (UIP) Fastrack Request FORM FM138a

All the information in this form supplied by the individual, firm, company to Cadent is confidential to that individual, firm or company and MUST NOT be disclosed to any other person, including any person employed in Cadent's connections service provider, without the consent of that individual, firm, or company.

B) Proposed Load Details

Max Instantaneous Rate (SHQ): [Redacted]
Max Annual Consumption (AQ): [Redacted]
Predicted Mains Pressure Drop (Mbar): [Redacted]
Predicted Service Pressure Drop (Mbar): [Redacted]
Does the proposed load follow a normal space heating pattern: [Redacted] EUC (if known): [Redacted]

C) Connection And/or Service Disconnection Details

Will the Design contain a Mains Element: [Redacted]
Connection Type: [Redacted]
Mains Detail (if applicable) (Length & Diameter Material): [Redacted]
Service Detail (Length/ Diameter/ material /Termination Point/ Meter housing): [Redacted]
(Individual Service Details to be supplied in Section G)
Number of Services [Redacted]
Easement Required [Redacted]

Existing Infrastructure

Parent Main:	Diameter:	[Redacted]	Material:	[Redacted]	Pressure Tier:	[Redacted]
Service:	Diameter:	[Redacted]	Material:	[Redacted]	Pressure Tier:	[Redacted]

The Below Information is for Alterations & Disconnections

MPRN: [Redacted] Meter Serial No (if known) [Redacted]
Alteration/ Disconnection Point: Eastings: [Redacted] Northings: [Redacted]
Existing Load Details SHQ: [Redacted]

Note: When designed using standard tables in CAD/SP/NP/14E, only load(s), length, pipe size(s), connection, plan showing proposed route and connection point are required for design submission purposes.

D) Service Alterations or connections on behalf of Owner/ Occupier (refer to existing document)

Connection on behalf of owner/ occupier only: [Redacted]
Requestor Name [Redacted]
Company/Address/ Postcode [Redacted]
Email: [Redacted]

E) Industrial/ Commercial Premises Only

Type of Load [Redacted]
Please Note If Your Load Is CHP/ Power Generation/CNG/Booster/Compressor Please Follow the Quotations Process
For individual loads > 2,196,000 kWh please state if Cadent Gas is to take ownership of the system [Redacted]
*Is The Pressure at The Inlet To Supply Meter Installation Required To Be >20.7Mbarg: [Redacted] If Yes, Specify: [Redacted]
*Do You Require Additional conditions or Site Rules & Regulations (applicable to this request only) [Redacted]
*If Yes, Specify: [Redacted]

**Note: Additional Costs May Incur for The Above*

PLEASE ENSURE A SUITABLE SITE PLAN, INDICATING THE EXACT LOCATION OF THE WORKS PROVIDED WITH YOUR APPLICATION. FOR MULTIPLE DEVELOPMENTS PLEASE PROVIDE INFORMATION ON THE NUMBER OF CONNECTIONS REQUIRED.

PLEASE REVIEW THE DATA PROVIDED PRIOR TO SUBMISSION, DATA WHICH IS MISSING COULD LEAD TO A DELAY IN COMPLETING YOUR REQUEST. PLEASE SUBMIT THIS FOR TO BOX.IGT-UIPAPPLICATIONS@CADENTGAS.COM

Utility Infrastructure Provider (UIP) Fastrack Request FORM FM138a

All the information in this form supplied by the individual, firm, company to Cadent is confidential to that individual, firm or company and MUST NOT be disclosed to any other person, including any person employed in Cadent's connections service provider, without the consent of that individual, firm, or company.

F) Domestic Premises Only

Property Ownership:

Specify Any Non-Domestic Premises:

Details of Exceptional Loads (e.g swimming pools)

G) Please Complete the Remainder of the Form for Both Domestic & Industrial/ commercial Properties

	Properties to be Connected & Gas Usage						Total
Consumer Type**							
No. Of Premises/ Unit No's							
Estimated Annual Consumption (kWh)							
Peak Instantaneous Demand (kWh)							

** Domestic/ Industrial/Commercial

Is The Development or The Load Growth Phased?

If Yes, Please Provide Details (Including Number of Proposed Connections & their associated load Per Year):

First Gas Date:

Additional Information:

PLEASE ENSURE A SUITABLE SITE PLAN, INDICATING THE EXACT LOCATION OF THE WORKS PROVIDED WITH YOUR APPLICATION. FOR MULTIPLE DEVELOPMENTS PLEASE PROVIDE INFORMATION ON THE NUMBER OF CONNECTIONS REQUIRED.

PLEASE REVIEW THE DATA PROVIDED PRIOR TO SUBMISSION, DATA WHICH IS MISSING COULD LEAD TO A DELAY IN COMPLETING YOUR REQUEST. PLEASE SUBMIT THIS FOR TO BOX.IGT-UIPAPPLICATIONS@CADENTGAS.COM

Utility Infrastructure Provider (UIP) Fastrack Request FORM FM138a

All the information in this form supplied by the individual, firm, company to Cadent is confidential to that individual, firm or company and MUST NOT be disclosed to any other person, including any person employed in Cadent's connections service provider, without the consent of that individual, firm, or company.

ACCEPTANCE

A. Complete For UIP Self connection Only

I confirm on behalf of [redacted] (**the customer**) that the proposed connection at the above site will operate with a pressure of [redacted] **Mbar**, in accordance with the applicable Conditions of Contract (i or ii below).

I confirm that [redacted] will be undertaking the Final Connection works subject to the terms and conditions of the UIP/GT Connection, Service Disconnection and Service Alteration Agreement entered between Cadent Gas and the Customer and either.

- i. **Where the customer's request is for connection of single premises consuming no more than 2,196,000 kWh per annum, Cadent's General Conditions of Contract for a Self-Lay pipe (System) not exceeding 2,196,000 kWh or.**
- ii. **Where the customer's request is for connection of single premises consuming more than 2,196,000 kWh per annum or connection of multiple premises irrespective of total load, Cadent's Authorisation and Connection Conditions for New Self Lay Pipes above 2,196,000 kWh and Maximum 7 Bar.**

In addition, I acknowledge that the carrying out of the proposed Connection will be subject to.

- I. the submission to and approval by Cadent of a full final connection design submission.
- II. the issue by Cadent of an Authorisation.
- III. the submission to and approval by Cadent of a Routine or Non-Routine Procedure (if applicable) under Cadent's Safe Control of Operations procedures.
- IV. any express variations or amendments in the Authorisation (as the case may be).
