

# Cadent's Connections Charging Statement

## Notification of change: Effective 01 April 2023 Fuel Poor Standard Values

### What's changing:

Cadent has completed their annual review of the gas transportation charges. These charges effect how the discount is calculated for the fuel poor network extension scheme.

Changes related to the gas transportation charges happen annually at the start of the financial year, therefore the below changes are to take effect from 01<sup>st</sup> April 2023

### Voucher Value

Network	East Anglia	East Midlands	London	North West	West Midlands
New Value	£2,702	£2,650	£2,967	£3,036	£2,752
